

ALPEN-ADRIA
UNIVERSITÄT
KLAGENFURT

SECOND INTERNATIONAL WORKSHOP ON NONLINEAR DYNAMICS AND SYNCHRONIZATION INDS'09

JULY 20-21, 2009 (KLAGENFURT, AUSTRIA)

Social Event on 20th July at 19:00: Directions to Villa Lido

© Google Maps

Villa Lido is within walking distance from the university (approx. 20 minutes). When walking follow the directions indicated in the map above. Starting at the university, go west to the parking space, then north to Universitätsstraße. Turn left, then right and walk straight until you cross the small river. Cross the street and walk through the Europapark, heading west until you reach the lake. Turn right and follow the lake promenade until you reach Villa Lido.

When driving, start at the university parking space and leave it in north direction, turning left. At the end of Universitätsstraße turn right onto Süduferstraße. At the next intersection, turn left onto Villacher Straße. At the next traffic light, keep to the left and follow the street to the sharp left turn. You can try to find a parking space somewhere now (which are free). After parking the car go to the lake promenade and follow it north to Villa Lido.

With public transport, take bus line 10 or 12 and drop off at bus stop "Schiffsanlegestelle". Go straight ahead to the lake, turn right and follow the lake promenade to Villa Lido.

The workshop registration fees cover food and beverages (water, soft-drinks, coffee/tea, beer, wine) at the social event, with exception of hard drinks (whiskey, schnapps, ...) cocktails and cigarettes. When consuming the latter, you will have to pay for them yourself.

Villa Lido is exceptionally beautifully located, directly at the promenade of Wörthersee's east end. You can enjoy the sunset, while experience the Italian “dolce vita” in Carinthia.
